STAYING POWER

Working mums who want perfectly drawn eyebrows, beautifully lined eyes or lips but are time-pressed to achieve it may want to check out semi-permanent make-up by Erabelle. Said to be subtle and natural-looking, the make-up is applied with a Micropen using a SoftStroke technique.

For more information, check out www.erabelle.com.sg

ROOT OF THE MATTER
A treatment with more than 120 years of knowledge and experience with herbs, Swiss Patent Research brings the response provided by ingredients for the first time. A whole range of products for a variety of hair conditions, from characterised greyness, condition and intensive care treatment for sensitive and damaged hair to a hair treatment containing natural root and essential oils for hair loss. All products contain natural herbs from Switzerland.

Available at selected retail outlets.
