**Full Impact**  
Say goodbye to your greasy hair and restore your crowning glory with Phyllum 4 hair. Phyllum 4 is the conditioner, the world's first that contains botanical stem cells, to kick-start hair growth. It features good stuff like wild apple fruit stem cells, along with vitamin multivitamin, keratin extracts, essential oils, and other potent ingredients to increase hair volume and prolong its life span. Use one or three times a week for three months. \$199 for a box of 12 vials. At all Watsons, JYS, L'Oréal, Watson's stores, S'G Bugis, Metro City Square and The Beauty Shop at Sing House Street.

**firm friend**  
Shape up your neck just today! Start with Marmale & Marmale Body Firming Activator (\$495) combined with a dietary supplement created with new marine collagen. Storage side and vitamin B2 and B12 reduce skin's elasticity, while wild yam oil both smoothes & firms skin's texture. The best-selling combination gel also contains lipo acid and pomegranate extracts to firm, tone and boost skin's appearance. See the benefits take for at least three months with just one capsule every morning and night. Get your supply at Watsons, Robinson, Kinly Park, Marina Walk and selected pharmacies.

**stroke of genius**  
Too immersed in new-mum duties to put on your face? Then splurge on a semi-permanent makeup solution. Skilled artists from Erabelle will pencil in flattering brows and eyeliner to give eyes greater definition and symmetry, and stain your lips a pretty pink shade. Each application lasts two to three years with touch-ups. Custom-blended colours cater to your skin tone, age and preference. So natural, it'll keep the husband guessing why you look so good every waking (and sleeping) hour! Erabelle is at VisionCrest (Tel: 6836-8388), Bugis Junction, The Central and Marina Square. Prices start at \$540 for eyebrows (two touch-ups), \$800 for eyes (three touch-ups) and \$980 for lips (two touch-ups).
